MARK, DAVID AND RUTH AT OUR 10TH ANNIVERSARY CELEBRATION

A Message from the President

As the newly appointed President of the Langley Bible Institute, my primary responsibility is to provide spiritual and administrative leadership aligned with our mission to equip men and women for effective ministry.

I ensure our curriculum remains biblically grounded and relevant to today's needs, while guiding the institute's vision, stewardship, and culture of prayer, discipleship, and academic excellence.

Together, we will continue building a Christ-centered environment where learning, spiritual growth, and ministry preparation thrive. I look forward to serving with our leaders and students as we pursue God's mission.

We extend heartfelt thanks to our sponsors for their generous support. Your commitment helps us grow, reach our goals, and impact the Kingdom of God.

A Message from the Principal

I regard this role as a sacred calling — to lead with integrity, uphold spiritual and academic excellence, and cultivate faith-filled communities rooted in Kingdom impact. Through mentoring and encouragement, I seek to empower our leaders and students to grow in biblical knowledge and live out God's Word through the Holy Spirit. Our mission is to raise devoted disciples who will, in turn, make disciples — advancing God's Kingdom across the nations.

It is an honor to serve alongside God's sons and daughters, equipping them for effective ministry and transformative service. My desire is to model humility and integrity in every decision, allowing the Holy Spirit to guide all we do at the Langley Institute of Ministries.

A MESSAGE FROM OUR PRESIDENT EMERITUS

As many of you know, I founded the Langley Institute of Ministry (LIM) ten years ago and served as its president until last month. While stepping down is difficult, I take great comfort in knowing we have two exceptional new leaders — a President and Principal — joining our wonderful director, Mark, to guide LIM forward. I want to express heartfelt gratitude for this smooth transition and share the joy I feel in continuing to support LIM in an unofficial capacity.

What's next for me? I'm thoroughly enjoying time with our grandchildren and the chance to return to oil painting. I'm also more involved in our lovely church in Iver. Lynne and I are cherishing extra time together — watering the garden plants is becoming my specialty!

My strength has been returning after several challenging years and too many visits to Accident & Emergency. I'm certainly not wondering what to do next — in fact, a book may be on the horizon titled Love Without Boundaries. I look back with deep gratitude on what LIM has accomplished this past decade and thank the Lord for all He has done. I have a feeling He isn't finished with me yet!

A Privilege to Teach Across Nations

As Principal and a teacher at LIM it is a profound privilege to teach and extend discipleship training, reaching students in Asian and African nations. We share a beautiful connection in the Holy Spirit, uniting us as one body in Christ across borders.

I have found, through teaching, that a large percentage of the students have a deep hunger for the Word of God. They have a strong desire to grow in faith and understanding and I encourage them to pass on what they have learned to others.

This helps them to grow and become carriers of the Good News! Those who have interest in learning have shown a dedication that makes teaching and discipleship rewarding and inspiring, as we witness God raising up leaders to carry His truth to their communities.

I find as Principal of Langley Institute of Ministries that the center leaders are welcoming. They are excited and express willingness to participate with me in this new Leadership position.

From the Lips of One of the First LIM Students.

My name is Sajid Sadiq, and I currently live in Luton, UK. I would like to share my journey with the Langley Institute of Ministry (LIM) and Pastor Keith King. We met through Facebook in the autumn of 2012, and since then, LIM has greatly helped me grow—not only in my Christian life but also as an individual. Personally, it supported the development of an orphanage school in Pakistan and helped our community learn the Holy Gospel. Pastor Keith himself taught hundreds of children, men, and women about the Bible.

Through LIM, many sewing centers were opened for deserving girls in our area. Many have learned sewing and now serve their communities, gaining independence and becoming valuable members of society.

My journey with LIM is filled with testimonies from individuals who have been prayed for and healed in the mighty name of our Lord and Savior, Jesus Christ. It has been a truly fruitful experience and I wish the organization and everyone involved continued success. May the Lord bless, guide, and fill them with His grace and mercy. God bless you all. **Sajid Sadiq**

A Student Testimony – Shobani Silva, Sri Lanka

I would like to thank you for giving me this opportunity to share my testimony. Following the LIM course was a life changing experience which helped me mould my character to be a better Christian. I would like to extend my profound thanks to LIM and specially to our Teacher, Keith for his hard work and dedication to deliver this course to Sri Lankan students.

I obtained my Diploma certificate in May 2024, and I thank God now I was able progress to complete the degree level certificate this year, August 2025. Since I started attending LIM course, God has opened many doors for me to share the word of God in various communities in London and on my mission trips to Sri Lanka and Cambodia. With the knowledge I gained from studies, I was able to answer the questions and minister to many effectively.

My personal relationship with God became stronger and I learned to align myself to hear from God and ask God for direction even for small decisions that I needed to make in life. My prayer life improved and I had a better understanding of the word of God which helped me to realise what God expects from me in serving Him and His people.

LIM'S TEN-YEAR ANNIVERSARY CELEBRATION

As President and Principal of LIM, we wanted to share how meaningful the 10-year anniversary celebration was. The evening was filled with beautiful worship music and a moving reflection on the history of Keith's work over the years in Asian and African countries. His love for serving God and people was evident in all he has done.

The fellowship and meal that followed were also a delight, it was a pleasure to meet many of the donors, friends and members of the trustee committee in such a warm and uplifting setting.
